"Not every societal issue requires a new government program or an additional lift on the part of Ohio taxpayers. By using the power of market forces and the private sector, ResultsOHIO incentivizes smart spending on the challenges facing Ohio and measures the results of that spending to ensure successful outcomes. ResultsOHIO is innovative, it's entrepreneurial, and it will be another tool for Governor DeWine and the legislature to tackle any number of issues impacting Ohio's people, its communities, and its businesses."

Ohio Treasurer aims to innovate private solutions

Lima News | April 24, 2019

LIMA — A new initiative pushed by Ohio Treasurer Robert Sprague looks to use financial tools to encourage investment into new solutions for long-standing social issues, such as Ohio’s opioid crisis and the need for workforce training.

Known as the ResultsOHIO, the program would encourage innovation by offering to pay funds to private programs that are able to prove their results through a third-party...
