STATE OF OHIO
REVITALIZATION PROJECT REVENUE BONDS
ANNUAL REPORT OF THE TREASURER OF STATE
FISCAL YEAR ENDING
JUNE 30, 2010

This annual report for the fiscal year ending June 30, 2010 (the "Fiscal Year") is prepared pursuant to Section 18(e) of the General Bond Order (the "Order") contained in the Trust Agreement, dated as of October 1, 2002 (the "Trust Agreement"), between the State of Ohio and Bank of New York, (successor to Fifth Third Bank, Cincinnati), as trustee (the "Trustee"), and shall be submitted to the Trustee, the Original Purchasers (as defined in the Trust Agreement), each Bondholder (as defined in the Trust Agreement) who has filed his name and address with the Trustee for the purpose of receiving this report, the Governor of Ohio, the presiding officer of each house of the Ohio General Assembly, the Director of Development, the Superintendent of Liquor Control and the Director of Budget and Management.

The State of Ohio Revitalization Project financing to which this report relates is that authorized in Section 151.40 of the Ohio Revised Code (the Revitalization Act). That financing is primarily payable from and secured by a pledge of the receipts of the State representing the gross profit on the sale of spirituous liquor (Pledged Liquor Profits), subject to the priority of the pledge of those profits to obligations issued and to be issued pursuant to Chapter 166 of the Ohio Revised Code (the Development Assistance Act) as provided in the Revitalization Act and the Trust Agreement. The revitalization purposes include generally providing for and enabling the environmentally safe and productive development and use or reuse of publicly and privately owned lands by the remediation or cleanup, or planning and assessment for remediation or cleanup, of contamination, or addressing, by clearance, land acquisition or assembly, infrastructure, or otherwise, that or other property conditions or circumstances that may be deleterious to the public health and safety and the environment and water and other natural resources, or that preclude or inhibit environmentally sound or economic use or rescue of the property.

The Revitalization Act authorizes the Treasurer of State, as the issuing authority, to issue bonds and notes (Obligations) of the State needed, as certified to the Treasurer by the Clean Ohio Council, to provide moneys in and for the purposes of the Clean Ohio Revitalization Fund (created by Section 122.658 of the Ohio Revised Code) and to refund Obligations previously issued for the purpose.

The Revitalization Act, pursuant to division (B)(2) of Section 20 of Article VIII of the Ohio Constitution and division (B)(2) of Section 2q of Article VIII of the Ohio Constitution, authorizes the issuance of not more than \$400,000,000.00 principal amount of obligations may be outstanding in accordance with their terms at any time. At this time, the General Assembly has only authorized \$300,000,000.

In February 2009, the U.S. Congress enacted the American Recovery and Reinvestment Act (the Act), certain provisions of which pertain to the issuance of municipal bonds. During this reporting period bonds were issued under a new class of taxable governmental bonds created in the Act entitled "Build America Bonds - Direct Payment" (BABs). BABs are taxable obligations that provide for the issuer to receive a payment from the United States Treasury equal to thirty-five percent (35%) of the applicable interest, on or about each interest payment date. Issuances of BABs are represented on a gross basis, exclusive of expected direct payments from the United States Treasury. A new schedule has been incorporated within this report detailing payments expected and received from the United States Treasury.

1) During Fiscal Year 2010, the following Revitalization Project Revenue Bonds were sold:

On February 18, 2010, the Treasurer of State sold by negotiated sale \$50,000,000 State of Ohio Revitalization Project Bonds, Series 2010A & B to an underwriting group consisting of J.P. Morgan, The Huntington Investment Company, Fifth Third Securities, Inc., and Melvin Securities, LLC. at a true interest cost rate of 3.356967%. The Series 2010 A & B Bonds, dated February 18, 2010 and delivered February 18, 2010, were issued to provide moneys for the Clean Ohio Revitalization Fund and to pay the cost of issuance of the Series 2010A & B Bonds. The Series 2010B Bonds totaling \$26,625,000 were issued under the new class of BABs taxable governmental bonds. The total interest over the 15-year life of the bonds is \$23,314,048.39.
