

JOSH MANDEL

STATE TREASURER OF OHIO

Many utility companies offer their own incentives for people interested in increasing their energy performance. The Ohio Treasury encourages business owners participating in ReEnergize Ohio to contact their utility provider about supplemental cost saving programs. Here are some resources listed below. 1. AEP Utility Rebate Program Prescriptive Program (Part of gridSMART) Ohio Express Program 2. Columbia Gas Innovative Energy Solutions 3. Duke Energy Smart Saver Incentive Program 4. Dayton Power & Light Rapid Rebates for Your Business Custom Rebates for Your Business 5. Vectren Appliance Rebates Business Custom Program
