

**Federal Home Loan Bank Trustee Agreement
for Securities Pledged as Collateral to the State Treasurer of Ohio
for the period of July 4, 2022 through June 30, 2024**

This Trustee Agreement (“Agreement”) is entered into among the State Treasurer of Ohio (“Treasurer”), having a place of business at 30 East Broad Street, 9th Floor, Columbus, Ohio 43215, _____, (“Financial Institution”), having a place of business at _____, and _____, (“Trustee”) having a place of business at _____, as of this ____ day of _____, 20____. Collectively, Treasurer, Financial Institution, and Trustee shall be referred to as the “Parties”.

Background

Financial Institution is required to secure Treasurer’s deposits pursuant to Ohio Revised Code (“ORC”) § 135.18 and Ohio Administrative Code (“OAC”) 113-7-05. Financial Institution therefore pledges certain securities defined as eligible pursuant to ORC § 135.18(D) (“Securities”) as collateral (“Collateral”) to secure Treasurer’s deposits (“Deposits”).

In order to comply with ORC § 135.18, Financial Institution and Treasurer have entered into a Security Agreement for the Collateralization of State Treasurer of Ohio Funds (“Security Agreement”) for the biennium beginning July 4, 2022 and ending June 30, 2024. The Security Agreement grants to Treasurer a first priority security interest under the Ohio Uniform Commercial Code in the Collateral to secure the Deposits.

Trustee hereby certifies that it is qualified pursuant to ORC § 135.18 to act as trustee for the safekeeping of Collateral pledged to Treasurer other than those securities belonging to itself or to an affiliate as defined in ORC § 1101.01.

Trustee is hereby appointed to hold, on behalf of Treasurer, the Collateral in accordance with the terms set forth below and Trustee accepts such appointment. Trustee covenants and agrees to maintain the Collateral for the benefit of Treasurer (which Collateral shall be clearly identified as such). There may be more than one account established with Trustee for each Financial Institution. Trustee shall maintain separate accounts with specific and separate pools of Collateral for each such account. Notwithstanding the fact that there may be separate Collateral pools, all Collateral in the Trustee’s possession, no matter which Collateral pool it is in, will secure all Deposits of Treasurer.

1. It is the intent of the Parties that Treasurer has a first priority perfected security interest in the Collateral. Trustee agrees to hold the Collateral under joint safekeeping receipts. Trustee shall apply any substitutions or additions of Collateral upon the terms and conditions set forth in this Agreement under the procedures enumerated in Schedule 1 attached hereto and incorporated herein by this reference. Trustee shall segregate the Collateral solely for the benefit of Treasurer, so that Treasurer may exercise its rights to the Collateral afforded by ORC Chapters 135 and 1309 and paragraph 4(a) of this Agreement.
2. The Financial Institution represents and warrants that, when the Collateral and any additional Securities, as such term is defined in the Security Agreement, are delivered to the Trustee pursuant to this Agreement, (i) the Financial Institution will have valid and marketable title thereto, free and clear of any claims, liens, or encumbrances other than the Security Agreement and this Agreement, (ii) the Financial Institution will have the full legal right, power and authority to deliver all of such Collateral and any additional Securities pledged in the manner provided in the Security Agreement or this Agreement, (iii) each item pledged as Collateral shall meet the definition of Eligible Collateral as defined in ORC § 135.18(D), and (iv) the Collateral shall have an aggregate market value of not less than that required by ORC § 135.18.
3. Trustee shall not permit the release or substitution of any of the Collateral, or the release of any cash proceeds resulting from the maturity or early redemption of any of the Collateral, without the prior written approval of Treasurer, which Treasurer shall not unreasonably withhold. Treasurer shall deliver such approval to Trustee in a fully executed approval letter substantially in the form of Schedule 1 attached hereto.
4. (a) Promptly upon the receipt of a written statement from Treasurer that Financial Institution is in default¹, Trustee shall immediately deliver to Treasurer the Collateral held hereunder or such portion thereof as may be demanded without inquiring into the validity of such statement. Such demand shall state the dollar amount of the Deposits, including any interest which has accrued on the Deposits, as of the date of the demand and any costs or expenses for which Treasurer is entitled to reimbursement under the Security Agreement. Further, the demand shall instruct that Trustee deliver to Treasurer, as soon as practicable for sale by Treasurer, Collateral with a market value, as of the time of Trustee's receiving such demand, equal to or greater than such reported Deposits, costs, and expenses. Upon receipt of such demand, Trustee shall immediately disregard any further notice or instruction by or on behalf of Financial Institution.

(b) In the event a receiver or conservator is appointed for Trustee under federal and/or state banking or similar law, or there is commenced by or against Trustee any liquidation or dissolution proceeding, Trustee shall as soon as practicable transfer the Collateral to such other trustee meeting the requirements of ORC § 135.18, as is designated by Financial Institution and approved by Treasurer. Trustee and Financial Institution shall notify Treasurer prior to any such transfer.

¹ "Default" means the omission or failure to perform a legal or contractual duty including, but not limited to, filing for bankruptcy or insolvency, acquisition by another institution that fails to perform, or failure to return funds.

5. In consideration of Trustee's acceptance of its appointment as Trustee, Financial Institution agrees to indemnify and hold Trustee harmless as to any liability incurred by Trustee to any person, firm, or corporation, including, without limitation, to Treasurer, by reason of its having accepted the same or in carrying out any of the terms hereof, and to reimburse Trustee for all its expenses, including among other things, counsel fees and court costs, incurred by reason of its position hereunder or actions taken pursuant hereto, except in the event of the negligent, reckless, or willful misconduct of Trustee. Financial Institution's indemnity obligations to Trustee shall survive termination of this Agreement. In the event of its failure to exercise ordinary care, Trustee shall be liable to Financial Institution only to the extent of its direct damages. Trustee shall be deemed to have exercised ordinary care if its actions or failure to act is in conformity with reasonable banking industry practice. Notwithstanding any other provision of this Agreement, if it becomes necessary for the Treasurer to obtain court enforcement of its rights against Trustee, Trustee shall be liable for the legal fees and costs of Treasurer. Financial Institution agrees that Trustee shall not be liable to it for any actions taken by Trustee pursuant to the terms hereof. Financial Institution agrees to pay Trustee for its services under this Agreement according to the fee schedule in effect at the time of service. Financial Institution also agrees to pay on demand Trustee's costs and expenses, including the fees and expenses of counsel and independent appraisers used by Trustee, reasonably incurred in connection with its duties hereunder. Trustee shall not place a lien or claim on the Collateral for any unpaid fees.
6. (a) Trustee shall maintain and segregate all Collateral that at any time comes into its possession, in accordance with the customary standards in the industry for such possession. Under no circumstances shall Trustee be held responsible to Treasurer or Financial Institution for any loss arising from any cause whatsoever except such as may arise solely from its failure to comply with the terms and conditions in this Agreement, or from its negligent, reckless, or willful misconduct, or that of its officers, employees, or duly authorized agents. Trustee's duties shall be determined only with reference to this Agreement and ORC Chapters 135 and 1111 (as they relate specifically to the qualifications or duties of Trustee), and Trustee is not charged with knowledge of or any duties or responsibilities in connection with any other document or agreement.

(b) Upon execution of this Agreement, Trustee shall deliver to Treasurer a certificate in a form substantially similar to the form attached hereto as Schedule 2, and incorporated herein by reference, stating that: (i) Trustee is authorized under the laws of the United States of America and/or the State of Ohio to exercise trust and fiduciary powers in Ohio; (ii) Trustee is qualified pursuant to ORC § 135.18 to hold Securities pledged to Treasurer; (iii) Trustee has complied with all applicable capital guidelines and requirements applicable to it, adopted by the Federal Deposit Insurance Corporation, the Office of the Comptroller of the Currency, and the Board of Governors of the Federal Reserve System as from time to time amended; (iv) Trustee has assets that exceed its liabilities; and (v) this Agreement is a legal, valid, and binding obligation of Trustee, enforceable in accordance with its terms. Trustee agrees to notify Treasurer and Financial Institution immediately in writing if at any time (i), (ii), (iii), (iv), or (v) cease to be true and accurate.
7. Until receipt of notice by Treasurer under paragraph 4(a) and so long as the Collateral value after such payment is not less than that required by ORC § 135.18, Trustee shall send to

Financial Institution all income relating to the Collateral for a particular account at any time held hereunder. Further, so long as the Collateral value for such account after such payments is not less than that required by ORC § 135.18, Trustee shall send to Financial Institution all periodic coupon income on the Collateral for the relevant account and all principal payments and prepayments on mortgage-backed securities at any time held hereunder. Upon receipt of notice under paragraph 4(a), Trustee shall hold all such income, periodic coupon income, and principal payments and prepayments for the benefit of Treasurer.

8. Whenever the written consent of Treasurer or Financial Institution is required hereunder, the written consent of any authorized representative or agent of Treasurer or of Financial Institution, as provided by Treasurer (Appendix I, attached hereto and incorporated herein by reference) and Financial Institution (Appendix II, attached hereto and incorporated herein by reference) shall satisfy such requirements. Appendices I and II may be amended by either Treasurer or Financial Institution, respectively, by giving written notice to the Parties.
9. Each transfer of the Collateral, including the initial transfer of the Collateral under this Agreement, shall be accompanied by a pledge or release confirmation of Financial Institution stating, as applicable, the account number, the par value or original face amount, current par value, interest rate, CUSIP number, maturity date, market value, and such other information as may be reasonably required by Treasurer of the Collateral transferred. The certificate shall also contain a description of the Collateral and shall state that the Collateral is being transferred to Trustee pursuant to this Agreement. Trustee shall provide said certificate to Treasurer to confirm receipt of Collateral and that the Collateral is being held by Trustee for the benefit of the Treasurer. Provided, however, that such certificate shall not be deemed to certify the market value of the Collateral.
10. (a) Upon the initial transfer of the Collateral under this Agreement, and by the fifteenth (15th) day of each month during the term of this Agreement, Trustee shall provide to Financial Institution and Treasurer a statement: (i) listing the Collateral held by the Trustee, including the CUSIP number and a description of each item of listed Collateral; (ii) stating the par value of each Collateral; and (iii) stating the Value (as defined below) of each item of Collateral on the day specified in such statement; and (iv) such other information as may be reasonably required by Treasurer. The value of any item of Collateral shall be its market value, if the same is readily determinable (“Value”). If the market value for an item of Collateral is not readily determinable from published sources available to the public or Trustee in the ordinary course of its business, then Trustee shall have no obligation to determine the Value of such Collateral. Trustee shall not be deemed negligent or have any liability to Treasurer or Financial Institution based on Trustee’s reliance and use of the sources of Value.

(b) Trustee agrees to provide other reporting as may be required by Treasurer or Treasurer’s auditors.
11. The Parties hereto bind themselves and their successors and assigns, including any acquirer of the deposits of Financial Institution, for the faithful performance of the terms and conditions of this Agreement.

12. (a) This Agreement shall automatically terminate upon termination of the Security Agreement. Notice of termination of the Security Agreement shall be provided to Trustee by Treasurer as soon as practicable. Trustee shall not honor any purported notice of termination from Financial Institution.

(b) This Agreement shall terminate upon delivery by Trustee of the Collateral to Treasurer pursuant to paragraph 4 hereof.

(c) Further, this Agreement may be terminated ten (10) business days after Trustee's receipt of written notice from Financial Institution and Treasurer. As used in this Agreement, the term "business day" means any Monday through Friday, excluding any day on which Financial Institution is authorized or required to be closed under state or federal law.

(d) Trustee shall have the right at any time to resign hereunder by giving written notice of its resignation to both Financial Institution and Treasurer at the addresses set forth in paragraph 17 hereof, or at such other address as Financial Institution and Treasurer shall provide, at least thirty (30) business days prior to the date specified for such resignation to take effect ("Effective Date"). Upon the Effective Date all moneys, Collateral, and proceeds of Collateral then held by Trustee hereunder shall be delivered by it to the successor trustee designated in writing by Financial Institution and approved by Treasurer. Any such resignation shall not be effective until a successor trustee has been appointed by Financial Institution and approved by Treasurer.

(e) Upon termination as defined in paragraphs 12(c) and 12(d) hereof, Trustee shall immediately transfer the Collateral to a successor trustee as is designated by Financial Institution and approved by Treasurer.
13. Trustee shall, at its own expense, maintain at all times during the existence of this Agreement and keep in full force and effect: (i) fidelity insurance; (ii) theft of documents insurance; (iii) forgery insurance; and (iv) errors and omissions insurance. All such insurance shall be in amounts, with standard coverage and subject to deductibles as are customary for insurance typically maintained by banks that act as trustee in similar transactions. A certificate of the respective insurer as to each such policy shall be furnished to Treasurer, upon request, containing the insurer's statement or endorsement that such insurance shall not be materially altered or terminated without ten (10) days prior notice (to the extent available from time to time from the insurer) being sent to Treasurer by registered mail.
14. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio. With respect to any disputes arising hereunder, the Parties hereto submit to the jurisdiction of the Ohio Court of Claims or a court of competent jurisdiction in Franklin County, Ohio.
15. No modification or amendment of or supplement to this Agreement shall be valid or effective unless the same is in writing and signed by the Parties.

- 16. If any of the provisions of this Agreement shall be held invalid, then such provisions shall be deemed severable from the remaining provisions of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement.
- 17. Any notices, including Collateral statements, shall be sent to the respective Parties at the following addresses:
