

**Federal Home Loan Bank Trustee Agreement
for Securities Pledged as Collateral
to the Ohio Treasurer of State
for the period of July 7, 2025, through July 1, 2029**

This Trustee Agreement (“Agreement”) is entered into among the Ohio Treasurer of State (“Treasurer”), having a place of business at 30 East Broad Street, 9th Floor, Columbus, Ohio 43215, _____, (“Financial Institution”), having a place of business at _____, and _____, (“Trustee”) having a place of business at _____, as of this _____ day of _____, 20____. Collectively, the Treasurer, Financial Institution, and Trustee shall be referred to as the “Parties”.

Background

The Financial Institution is required to secure the Treasurer’s public deposits pursuant to Ohio Revised Code (“ORC”) § 135.18 and Ohio Administrative Code (“OAC”) 113-7-04. The Financial Institution therefore pledges certain securities defined as eligible pursuant to ORC § 135.18(D) (“Securities”) as collateral (“Collateral”) to secure the Treasurer’s public deposits (“Deposits”).

In order to comply with ORC § 135.18, the Financial Institution and Treasurer have entered into a Security Agreement for the period beginning July 7, 2025, and ending July 1, 2029. The Security Agreement grants to the Treasurer a first priority security interest under the Ohio Uniform Commercial Code in the Collateral to secure the Deposits.

The Trustee hereby certifies that it is qualified pursuant to ORC § 135.18 to act as trustee for the safekeeping of Collateral pledged to the Treasurer other than those securities belonging to itself or to an affiliate as defined in ORC § 1101.01.

The Trustee is hereby appointed to hold, on behalf of the Treasurer, the Collateral in accordance with the terms set forth below and the Trustee accepts such appointment. The Trustee covenants and agrees to maintain the Collateral for the benefit of the Treasurer (which Collateral shall be clearly identified as such). There may be more than one account established with the Trustee for each Financial Institution. The Trustee shall maintain separate accounts with specific and separate pools of Collateral for each such account. Notwithstanding the fact that there may be separate Collateral pools, all Collateral in the Trustee’s possession, no matter which Collateral pool it is in, will secure all Deposits of the Treasurer.

1. It is the intent of the Parties that the Treasurer has a first priority perfected security interest in the Collateral. The Trustee agrees to hold the Collateral under joint safekeeping receipts. The Trustee shall apply any substitutions or additions of Collateral upon the terms and conditions set forth in this Agreement under the procedures enumerated in Schedule 1 attached hereto and incorporated herein by this reference. The Trustee shall segregate the Collateral solely for the benefit of the Treasurer, so that the Treasurer may exercise its rights to the Collateral afforded by ORC Chapters 135 and 1309 and paragraph 4(a) of this Agreement.
2. The Financial Institution represents and warrants that, when the Collateral and any additional Securities, as such term is defined in the Security Agreement, are delivered to the Trustee pursuant to this Agreement, (i) the Financial Institution will have valid and marketable title thereto, free and clear of any claims, liens, or encumbrances other than the Security Agreement and this Agreement, (ii) the Financial Institution will have the full legal right, power and authority to deliver all of such Collateral and any additional Securities pledged in the manner provided in the Security Agreement or this Agreement, (iii) each item pledged as Collateral shall meet the definition of Eligible Collateral as defined in ORC § 135.18(D), and (iv) the Collateral shall have an aggregate market value of not less than that required by ORC § 135.18.
3. The Trustee shall not permit the release or substitution of any of the Collateral, or the release of any cash proceeds resulting from the maturity or early redemption of any of the Collateral, without the prior written approval of the Treasurer, which the Treasurer shall not unreasonably withhold. The Treasurer shall deliver such approval to the Trustee in a fully executed approval letter substantially in the form of Schedule 1 attached hereto.
4. (a) Promptly upon the receipt of a written statement from the Treasurer that the Financial Institution is in default¹, the Trustee shall immediately deliver to the Treasurer the Collateral held hereunder or such portion thereof as may be demanded without inquiring into the validity of such statement. Such demand shall state the dollar amount of the Deposits, including any interest which has accrued on the Deposits, as of the date of the demand and any costs or expenses for which the Treasurer is entitled to reimbursement under the Security Agreement. Further, the demand shall instruct that the Trustee deliver to the Treasurer, as soon as practicable for sale by the Treasurer, Collateral with a market value, as of the time of the Trustee's receiving such demand, equal to or greater than such reported Deposits, costs, and expenses. Upon receipt of such demand, the Trustee shall immediately disregard any further notice or instruction by or on behalf of the Financial Institution.

(b) In the event a receiver or conservator is appointed for the Trustee under federal and/or state banking or similar law, or there is commenced by or against the Trustee any liquidation or dissolution proceeding, the Trustee shall as soon as practicable transfer the Collateral to such other trustee meeting the requirements of ORC § 135.18, as is designated

¹ "Default" means the omission or failure to perform a legal or contractual duty including, but not limited to, filing for bankruptcy or insolvency, acquisition by another institution that fails to perform, or failure to return funds.

by the Financial Institution and approved by the Treasurer. The Trustee and Financial Institution shall notify the Treasurer prior to any such transfer.

5. In consideration of the Trustee's acceptance of its appointment as Trustee, the Financial Institution agrees to indemnify and hold the Trustee harmless as to any liability incurred by the Trustee to any person, firm, or corporation, including, without limitation, to the Treasurer, by reason of its having accepted the same or in carrying out any of the terms hereof, and to reimburse the Trustee for all its expenses, including among other things, counsel fees and court costs, incurred by reason of its position hereunder or actions taken pursuant hereto, except in the event of the negligent, reckless, or willful misconduct of the Trustee. The Financial Institution's indemnity obligations to the Trustee shall survive termination of this Agreement. In the event of its failure to exercise ordinary care, the Trustee shall be liable to the Financial Institution only to the extent of its direct damages. The Trustee shall be deemed to have exercised ordinary care if its actions or failure to act is in conformity with reasonable banking industry practice. Notwithstanding any other provision of this Agreement, if it becomes necessary for the Treasurer to obtain court enforcement of its rights against the Trustee, the Trustee shall be liable for the legal fees and costs of the Treasurer. The Financial Institution agrees that the Trustee shall not be liable to it for any actions taken by the Trustee pursuant to the terms hereof. The Financial Institution agrees to pay the Trustee for its services under this Agreement according to the fee schedule in effect at the time of service. The Financial Institution also agrees to pay on demand the Trustee's costs and expenses, including the fees and expenses of counsel and independent appraisers used by the Trustee, reasonably incurred in connection with its duties hereunder. The Trustee shall not place a lien or claim on the Collateral for any unpaid fees.
6. (a) The Trustee shall maintain and segregate all Collateral that at any time comes into its possession, in accordance with the customary standards in the industry for such possession. Under no circumstances shall the Trustee be held responsible to the Treasurer or Financial Institution for any loss arising from any cause whatsoever except such as may arise solely from its failure to comply with the terms and conditions in this Agreement, or from its negligent, reckless, or willful misconduct, or that of its officers, employees, or duly authorized agents. The Trustee's duties shall be determined only with reference to this Agreement and ORC Chapters 135 and 1111 (as they relate specifically to the qualifications or duties of the Trustee), and the Trustee is not charged with knowledge of or any duties or responsibilities in connection with any other document or agreement.

(b) Upon execution of this Agreement, the Trustee shall deliver to the Treasurer a certificate in a form substantially similar to the form attached hereto as Schedule 2, and incorporated herein by reference, stating that: (i) the Trustee is authorized under the laws of the United States of America and/or the State of Ohio to exercise trust and fiduciary powers in Ohio; (ii) the Trustee is qualified pursuant to ORC § 135.18 to hold Securities pledged to the Treasurer; (iii) the Trustee has complied with all applicable capital guidelines and requirements applicable to it, adopted by the Federal Deposit Insurance Corporation ("FDIC"), the Office of the Comptroller of the Currency, and the Board of Governors of the Federal Reserve System as from time to time amended; (iv) the Trustee has assets that exceed its liabilities; and (v) this Agreement is a legal, valid, and binding obligation of the Trustee, enforceable in accordance with its terms. The Trustee agrees to

- notify the Treasurer and Financial Institution immediately in writing if at any time (i), (ii), (iii), (iv), or (v) cease to be true and accurate.
7. Until receipt of notice by the Treasurer under paragraph 4(a) and so long as the Collateral value after such payment is not less than that required by ORC § 135.18, the Trustee shall send to the Financial Institution all income relating to the Collateral for a particular account at any time held hereunder. Further, so long as the Collateral value for such account after such payments is not less than that required by ORC § 135.18, the Trustee shall send to the Financial Institution all periodic coupon income on the Collateral for the relevant account and all principal payments and prepayments on mortgage-backed securities at any time held hereunder. Upon receipt of notice under paragraph 4(a), the Trustee shall hold all such income, periodic coupon income, and principal payments and prepayments for the benefit of the Treasurer.
 8. Whenever the written consent of the Treasurer or Financial Institution is required hereunder, the written consent of any authorized representative or agent of the Treasurer or of the Financial Institution, as provided by the Treasurer (Appendix I, attached hereto and incorporated herein by reference) and the Financial Institution (Appendix II, attached hereto and incorporated herein by reference) shall satisfy such requirements. Appendices I and II may be amended by either the Treasurer or Financial Institution, respectively, by giving written notice to the Parties.
 9. Each transfer of the Collateral, including the initial transfer of the Collateral under this Agreement, shall be accompanied by a pledge or release confirmation of the Financial Institution stating, as applicable, the account number, the par value or original face amount, current par value, interest rate, CUSIP number, maturity date, market value, and such other information as may be reasonably required by the Treasurer of the Collateral transferred. The certificate shall also contain a description of the Collateral and shall state that the Collateral is being transferred to the Trustee pursuant to this Agreement. The Trustee shall provide said certificate to the Treasurer to confirm receipt of Collateral and that the Collateral is being held by the Trustee for the benefit of the Treasurer. Provided, however, that such certificate shall not be deemed to certify the market value of the Collateral.
 10. (a) Upon the initial transfer of the Collateral under this Agreement, and by the fifteenth (15th) day of each month during the term of this Agreement, the Trustee shall provide to the Financial Institution and Treasurer a statement: (i) listing the Collateral held by the Trustee, including the CUSIP number and a description of each item of listed Collateral; (ii) stating the par value of each Collateral; (iii) stating the Value (as defined below) of each item of Collateral on the day specified in such statement; and (iv) including such other information as may be reasonably required by the Treasurer. The value of any item of Collateral shall be its market value, if the same is readily determinable (“Value”). If the market value for an item of Collateral is not readily determinable from published sources available to the public or Trustee in the ordinary course of its business, then the Trustee shall have no obligation to determine the Value of such Collateral. The Trustee shall not be deemed negligent or have any liability to the Treasurer or Financial Institution based on the Trustee’s reliance and use of the sources of Value.

- (b) The Trustee agrees to provide other reporting as may be required by the Treasurer or Treasurer's auditors.
11. The Parties hereto bind themselves and their successors and assigns, including any acquirer of the deposits of the Financial Institution, for the faithful performance of the terms and conditions of this Agreement.
12. (a) This Agreement shall automatically terminate upon termination of the Security Agreement. Notice of termination of the Security Agreement shall be provided to the Trustee by the Treasurer as soon as practicable. The Trustee shall not honor any purported notice of termination from the Financial Institution.
- (b) This Agreement shall terminate upon delivery by the Trustee of the Collateral to the Treasurer pursuant to paragraph 4 hereof.
- (c) Further, this Agreement may be terminated ten (10) business days after the Trustee's receipt of written notice from the Financial Institution and Treasurer. As used in this Agreement, the term "business day" means any Monday through Friday, excluding any day on which the Financial Institution is authorized or required to be closed under state or federal law.
- (d) The Trustee shall have the right at any time to resign hereunder by giving written notice of its resignation to both the Financial Institution and Treasurer at the addresses set forth in paragraph 17 hereof, or at such other address as the Financial Institution and Treasurer shall provide, at least thirty (30) business days prior to the date specified for such resignation to take effect ("Effective Date"). Upon the Effective Date all moneys, Collateral, and proceeds of Collateral then held by the Trustee hereunder shall be delivered by it to the successor trustee designated in writing by the Financial Institution and approved by the Treasurer. Any such resignation shall not be effective until a successor trustee has been appointed by the Financial Institution and approved by the Treasurer.
- (e) Upon termination as defined in paragraphs 12(c) and 12(d) hereof, the Trustee shall immediately transfer the Collateral to a successor trustee as is designated by the Financial Institution and approved by the Treasurer.
13. The Trustee shall, at its own expense, maintain at all times during the existence of this Agreement and keep in full force and effect: (i) fidelity insurance; (ii) theft of documents insurance; (iii) forgery insurance; and (iv) errors and omissions insurance. All such insurance shall be in amounts, with standard coverage and subject to deductibles, as are customary for insurance typically maintained by banks that act as trustee in similar transactions. A certificate of the respective insurer as to each such policy shall be furnished to the Treasurer, upon request, containing the insurer's statement or endorsement that such insurance shall not be materially altered or terminated without ten (10) days prior notice (to the extent available from time to time from the insurer) being sent to the Treasurer by registered mail.
14. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio. With respect to any disputes arising hereunder, the Parties hereto submit to

the jurisdiction of the Ohio Court of Claims or a court of competent jurisdiction in Franklin County, Ohio.

- 15. No modification or amendment of or supplement to this Agreement shall be valid or effective unless the same is in writing and signed by the Parties.
- 16. If any of the provisions of this Agreement shall be held invalid, then such provisions shall be deemed severable from the remaining provisions of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement.
